**Rain Dates and Make Up Policy**

The tennis program extends to 26 weeks of lessons. Students must attend their classes at the regularly scheduled times in order to maintain proper student to coach ratios and proper lesson progression. If classes are rained out they will be made up at the end of the term or alternative dates offered.

We have two or more additional weeks available and students are to keep coming at their regularly scheduled times until all lessons have been completed. Once the session has started refunds are only granted on the basis of injury.
